FINANCIAL MARKETS AND INSTITUTIONS STREAM OF THE BRITISH ACCOUNTING ASSOCIATION'S ANNUAL CONFERENCE 2010

Cardiff City Hall from Tuesday **30 March** to Thursday **1 April**

The Financial Markets and Institutions Special Interest Group (FMI-SIG) facilitates a stream of papers at the British Accounting Association's Annual Conference. Each accepted paper is assigned a discussant. A key aim of the special interest group is to integrate emerging scholars into the academic community. Consequently, submissions are encouraged from early career academics: academic staff within the probationary period. Papers can be submitted electronically by the **31st December 2009** deadline via the British Accounting Association's website at:

http://baa.ac.uk/conference_paper_upload/

Please state on the **cover page** '**SUBMISSION to FMI-SIG**', or for early career academics '**SUBMISSION to FMI-SIG – EARLY CAREER**' to aid the organising committee when short-listing. In the event that all submissions cannot be accommodated within the FMI-SIG sessions submitted papers will automatically be considered for finance sessions within the general conference programme.

For any further queries please contact the secretary: Professor Philip Hamill (pa.hamill@ulster.ac.uk).
