

Degrees, Subjects and Likely Asking Rates

On the following pages, you will find an alphabetical list of our undergraduate degree programmes with entry requirements, followed by subject page numbers. New courses available for the first time in 2007-08 are listed in italics.

The likely asking rates published here are based on the LIKELY MINIMUM GRADES which will be required for entry but candidates should remember that many factors are taken into account when making offers, including the Personal Statement and Reference on your UCAS application. No applicant is guaranteed admission on the basis of these grades alone. Actual offers may be higher or lower than the grades stated here. Candidates may also satisfy entrance requirements with other equivalent qualifications or by successful completion of recognised Access courses.

This prospectus is written months before applications are made, consequently it should also be realised that the rates quoted are subject to change.

Faculty Entrance Requirements

In addition to the specific subject entry requirements following, candidates must also possess the following minimum qualifications, although the Dean of Faculty has the authority to exempt applicants from one or more of these:

ARTS – MA Hons

SQA: Standard Grade (1, 2, or 3) or **GCSE** (A, B or C) or equivalent, in English, a language other than English and either Mathematics or an approved science.

IB: At least Standard Level in Mathematics, English and a second language (other than English if English is the applicant's first language).

DIVINITY – MTheol

There are no special subjects required for students entering the Faculty of Divinity, other than a pass at GCSE or SQA Standard Grade in English (or equivalent).

SCIENCE – BSc, MChem, MMath, MPhys

SQA: Standard Grade (1 or 2) or GCSE (A,B or C) or equivalent in English and Mathematics, and additionally in Chemistry and Physics for applicants in the physical sciences (i.e. Chemistry, Computer Science, Mathematics and Physics & Astronomy) along with Higher (H) or GCE A-Level including at least one of the following subjects: Biology, Chemistry, Geography, Mathematics, Physics.

IB: At least Standard Level in Mathematics and English. A Higher Level pass is required in at least one of the following subjects: Biology, Chemistry, Geography, Mathematics, Physics.
