# St Andrews Chemistry @ 200

A celebration of chemical research

## Energy Materials

Lecture theatre B\* at 3 pm on Wednesday 30<sup>th</sup> March 2011

**\*PLEASE NOTE CHANGE OF VENUE\***

15:00 Prof Clare Grey, University of Cambridge

*Recharging the planet (Following function in real time: new methods for determining structure and dynamics in lithium ion batteries and fuel cells)*

15:45 Prof John Irvine, St Andrews

*Fuelling the Future*

16:30 Prof Peter Bruce, St Andrews

*Energising Materials Chemistry*

17:15 Wine Reception (Common room)
