

# UNIVERSITY OF ST ANDREWS SPORTS HALL OF FAME

## NOMINATION FORM

### Criteria

Inductees could be anyone with a ‘strong’ connection with the University. This would include staff/employees, students whether graduating or not (therefore includes diploma students and those who studied here for only one year), American and European students (some of whom are semester based) and honorary graduates. Community users of the sports facilities are equally worthy of being considered. We wish to be inclusive but the connection must be realistic and strong.

*De facto* all honorary graduates of the University whose achievement has been in sport would qualify.

### Sporting Achievement Level

To be considered for the Hall of Fame an individual must have produced a nationally sustained performance, either solo or conjointly with a national squad or the home team over a period of time i.e. not just a token cap. Thus representation in Olympic, European, World, Lions, Scotland, England, Wales etc. teams/squads would be the minimum level. Regional representation would be insufficient.

The age group level would be adult level, thus under 21, under 18, British Universities alone would not be an acceptable achievement level.

All sports listed in the Council of Europe definition of 2001 would be eligible. Thus ultimate, bowls, curling and snooker could be included. We should certainly include all University Athletic Union club sports.

Those sports which have no UK national governing body need not necessarily be ruled out e.g. Gaelic football, American football.

### NOMINATOR’S DETAILS

Nominator (full name) .....

Address .....

Telephone (work) .....

(home) .....

(mobile) .....

Connection, if any, with the nominee .....  
.....  
.....

**PLAYER NOMINATION DETAILS**

Name of nominee .....

Address and contact details if known .....

.....  
.....

Connection with the University e.g. graduate, employee and any dates of the connection

.....  
.....

Achievement in sport/s

(Please provide a summary record of what the nominee has achieved with dates, times, rank, medal if known)

.....  
.....  
.....  
.....

Reasons for nominating .....

.....  
.....
