| **COLLABORATIONS & STUDY ABROAD (CSA)** | The CSA team is part of the Registry unit based in St Katharine’s West on The Scores:  
  - Samantha Lister - Head of Academic Partnerships and International Experience  
  - Bronagh Crosse - Collaborations and Study Abroad Officer  
  - Jennie Parkinson - Registry Officer (Student Support)  
  - Morag Mayes - Senior Registry Administrator  

The Collaborations and Study Abroad Team run student consultation hours from 2-4pm, Monday to Friday, during term time in St Katharine’s West, The Scores. During these hours, we invite students to drop-in for up to ten minutes to discuss any questions you may have relating to the BA (International Honours) programme and your time in St Andrews. Our BA (International Honours) Intern will also be available to speak to students during some of the drop-in sessions. If we are unable to answer all of your questions during the drop-in sessions, we can arrange an appointment with one of our team. Please note that you must first attend a drop-in session to schedule an appointment. | [https://www.st-andrews.ac.uk/studyabroad/bainternationalhonoursjointdegree/](https://www.st-andrews.ac.uk/studyabroad/bainternationalhonoursjointdegree/) | bainthons@st-andrews.ac.uk |
| **ADVICE AND SUPPORT CENTRE (ASC) AND STUDENT SERVICES** | The ASC is the primary information point for all students of St Andrews, and you can pop in there with any questions or concerns.  

There are a number of ways in which Student Services are focused on helping students at St Andrews achieve what they deserve: the best university experience possible. All students, all people, come across barriers in life where they do not know where to go or how to best proceed. They need guidance, a pointer, a reflection to offer them a route to follow, or a tool to get over a hurdle and back on track. Student Services are the ones who can provide this. | [http://www.st-andrews.ac.uk/students/advice/](http://www.st-andrews.ac.uk/students/advice/) | theasc@st-andrews.ac.uk |
| **CENTRE FOR ACADEMIC, PROFESSIONAL AND ORGANISATIONAL DEVELOPMENT (CAPOD)** | CAPOD offers a range of academic and development services to undergraduate students. We recommend that WaMStA students familiarise themselves with the CAPOD service and utilise the academic skills’ support available. Adjusting to a new academic culture can be challenging, and CAPOD services will be useful in helping you to familiarise yourself with academic expectations at St Andrews, essay writing, assessment, as well as academic rules and regulations. | [http://www.st-andrews.ac.uk/capod/students/studentdevelopment/](http://www.st-andrews.ac.uk/capod/students/studentdevelopment/) | capod@st-andrews.ac.uk |
**'FRIENDLY ECON' SCHEME**

Sub-honours students in Economics should also note 'Friendly Econ', a student-run tutoring scheme organised jointly by CAPOD and the St Andrews Economics Society. Friendly Econ is a student-run tutoring scheme organised jointly by CAPOD and the St Andrews Economics Society. The tutors are honours students selected based on their academic excellence and strong personal skills. This ensures that the sessions are run in a relaxed and informal atmosphere, where the tutor guides the student towards discovering the solution.

Economics Honours students provide support with:
- understanding economic concepts;
- performing mathematical calculations; and,
- solving tutorial questions.

**CAREERS CENTRE**

The Careers Centre has a variety of tools and resources that are available to all students, and also runs specific events aimed at BA (International Honours) students seeking to highlight their unique educational experience to employers in the UK, the US and across the world. Students may consult directly with Robert Gelb, the International Opportunities Manager who organises events and resources for WaMStA students.

**WAMSTA STUDENT PARTNERSHIP**

The WaMStA Student Partnership organises social gatherings for WaMStA students while also providing BA (International Honours) students the opportunity to gain leadership skills by serving on the organisation’s board. The Partnership acts as both a social outlet and a support system, connecting students across institutions, degrees and years. The Partnership’s website is home to helpful blog posts and other resources geared for BA (International Honours) students.
