

Exploring low carbon intellectual renewal

Hope you enjoyed the film! Now we'd like your reflections about low carbon intellectual renewal using the questionnaire below.

Many thanks,

Jan Bebbington (and the project team).

1: What country do you mostly live in?

2: How well informed are you about global environmental change – the science, the policy and its implications?

3: Pressure to respond to the climate change agenda.

From:	5 = great extent; 3 = some degree; 1 = not at all				
Central government (e.g. behaviour change through marketing / regulations)	5	4	3	2	1
My institution	5	4	3	2	1
My community (e.g., transition town; local community carbon initiative)	5	4	3	2	1
My friends and family	5	4	3	2	1
My beliefs about appropriate responses	5	4	3	2	1
Other (please specify)	5	4	3	2	1
Other (please specify)	5	4	3	2	1
Other (please specify)	5	4	3	2	1

Question 4: What behaviours have you undertaken in response to the climate change agenda?

	5 = I always do this; 3 = I sometimes do this; 1 = I do not do this				
Selected a specific energy supplier	5	4	3	2	1
Recycled (e.g. glass, metals & paper)	5	4	3	2	1
Composted biodegradable waste	5	4	3	2	1
Made food or diet choices (e.g. organic/local food/air miles/vegetarianism)	5	4	3	2	1
Restrict/eliminate domestic flying for work	5	4	3	2	1
Restrict/eliminate international flying for work	5	4	3	2	1
Restrict/eliminate personal domestic flying	5	4	3	2	1
Restrict/eliminate personal international flying	5	4	3	2	1
Calculate personal 'carbon' footprint	5	4	3	2	1
Calculate work 'carbon' footprint	5	4	3	2	1
Make plans to reduce emissions	5	4	3	2	1
Make offsets	5	4	3	2	1
Buy energy efficient appliances	5	4	3	2	1
Other actions (please specify)	5	4	3	2	1
Other actions (please specify)	5	4	3	2	1

Question 5: Please indicate your level of agreement with the following statements.

	5 = strongly agree; 3 = neither agree or disagree; 1 = strongly disagree				
Global climate change is occurring	5	4	3	2	1
Humans have an impact on global climate change	5	4	3	2	1
International governance regimes adequately address this issue	5	4	3	2	1
My national government is addressing the issue	5	4	3	2	1
Action is needed urgently	5	4	3	2	1
It is too late to take action	5	4	3	2	1

Question 6: Please indicate your prior experience with the following technologies.

	5 = to a great extent; 3 = to some degree; 1 = not at all				
Used video conference facilities	5	4	3	2	1
Seen others video conferenced in	5	4	3	2	1
Used teleconferencing	5	4	3	2	1
Seen others teleconferencing in	5	4	3	2	1
Teach remotely	5	4	3	2	1
Skype	5	4	3	2	1
Other technologies experienced (please specify)	5	4	3	2	1
Other technologies experienced (please specify)	5	4	3	2	1

Question 7: How much do these factors influence your conferences choices?

	5 = to a great extent; 3 = to some degree; 1 = not at all				
Topic areas/subjects covered by conference	5	4	3	2	1
Meeting known colleagues and co-authors	5	4	3	2	1
Meeting new colleagues	5	4	3	2	1
Can work at the location after conference	5	4	3	2	1
Can holiday at the location after conference	5	4	3	2	1
Desirability of the location	5	4	3	2	1
The organisers asked me to attend	5	4	3	2	1
I want to support conference organisers	5	4	3	2	1
Other (please specify)	5	4	3	2	1
Other (please specify)	5	4	3	2	1

Please add any other comments here (about the film itself or on low carbon intellectual renewal.
