

**Welcome to Crail Folk Club.** We are all looking forward to a season of good music and good company. Please do come along and support your local club - and bring friends, rich relatives, probation officers, in fact anyone that would enjoy a good evening out.

**We** welcome seasoned musicians, beginners and those that just want to come along and listen in a friendly atmosphere. During Singers' Nights in the Golf Hotel we feature local singers and musicians. Everyone is welcome – if you don't want to make music then just tap your feet.

**We** usually meet in the Golf Hotel in the centre of Crail. During the summer months we decant to the Town Hall - almost next door. Unfortunately the Town Hall is not licensed, but we welcome you to bring your own bottle. For larger gigs we can be found in the Crail Community Hall – just two hundred yards from the Golf Hotel on the St Andrews Road.

**Starting time is 8:00 pm.** Tickets are available at the door and are usually around £5-£7 for Guest Artists' nights.

The picturesque Royal Burgh of **Crail** lies on the east coast of Scotland in our own little corner of Fife known as The East Neuk. Steeped in the history of Scotland, you can still hear the curfew bell that welcomed Mary of Guise to Scotland. Crail is noted for its architecture with fine examples from merchant houses in the Marketgate and Nethergate to fisher lofts in the narrow streets leading down to the medieval harbour.
