Seminar rooms usually used by Social Anthropology lecturers:

**UC Room 50** (no. 1): Enter through the doors of School 6 and enter the second door on your right (you will need to walk up two steps).

**CAS** (no. 1): Enter through the doors of School 6 and walk up two long flights of stairs. Walk in the door that is marked with "Computer Classroom & School VI". Go straight ahead until the hallway turns right. Walk up another small staircase and enter the door. The CAS contains a small library and a computer room for our postgraduate students.

**Arts seminar rooms** (no. 2): To find this building, walk from North Street, past the entrance of the library and turn left down the stairs. Keep walking until you get to the swing doors. Once in the building, follow the signs.

Other useful locations:

**Secretaries' office**: Walk into the Social Anthropology building (no. 1 next to school 5). It will be the second door on your right.

**The Social Anthropology Coffee Room** (no. 1) is used for a range of departmental social events. Go in the doors of School 5 and go through the first door on your left.
