

May 2023 v1.0

Timetabling Services book teaching rooms, Mon-Fri, 09:00-18:00, in all teaching weeks, and for use during the revision and exam periods. They also manage some rooms in the evenings, during teaching weeks, and some over vacation periods. Some rooms can be booked directly using Resource Booker (after the third teaching week of each semester). **Contact:** timetabling@st-andrews.ac.uk - x3099

Where an activity starts before 18:00 but runs beyond it, in a room which switches control between Timetabling Services and ACE at 18:00, it should be booked by Timetabling Services.

This list mainly contains centrally bookable rooms, there are also some local rooms included which may be made available by the relevant Schools; this list does NOT include all local teaching spaces (e.g. staff offices, specialist labs, etc.). If a particular room you are interested in booking is not listed here, please contact Timetabling Services for further information. This list is produced to make room control visible to those who wish to book spaces for non-teaching activities. For teaching related matters including School priority for the information can be found within S+ or queries should be directed to Timetabling Services.

Room Name (as listed in S+)	Student Capacity (for teaching - allows for one member of staff)	Booking Status	Semesters (includes Orientation, Teaching, Exam & Revision Weeks)		Short Vacations / Inter-semester break	Summer Vacation:	Weekends
