Results key

Unit of Assessment

This column gives the reference number used to identify the Unit of Assessment in the RAE documentation.

Staff

The number of Full Time Equivalent (FTE) staff submitted for assessment.

Quality level 4*

Quality that is world-leading in terms of originality, significance and rigour.

Quality level 3*

Quality that is internationally excellent in terms of originality, significance and rigour but which nonetheless falls short of the highest standards of excellence

Quality level 2*

Quality that is recognised internationally in terms of originality, significance and rigour.

Quality level 1*

Quality that is recognised nationally in terms of originality, significance and rigour.

Quality level U (Unclassified)

Quality that falls below the standard of nationally recognised work. Or work which does not meet the published definition of research for the purposes of this assessment.
