Dear all,

I hope this finds you well, and that the exam period has gone smoothly. Below you will find important information regarding re-advising for semester 2 – please read it through carefully.

Please note that Professor Anderson will be re-advising for all SH students this semester.

Advising/Re-Advising for Semester 2 Modules:

- If you have been on a Leave of Absence (LOA) or have been studying abroad for the last semester, you must meet with your allocated Senior Honours Advisor on Teams for advising for semester 2 (during the dates and times listed below).
- If you met with your adviser for advising in semester 1, BUT wish to make changes to your semester 2 modules this can be done via email at irseniorhonours@st-andrews.ac.uk email during the listed advising dates below.
- If you met with your Adviser for advising in semester 1, and are happy with your semester 2 modules, you do not need to do anything further.

Advising Dates:

- LoA Students: 10th January. Contrary to what was said in the December version, you should email me at the above address to make an appointment – please have your matriculation ID card with you.
- All other students who wish to make a change, you can do so from Wednesday 12th January

Please note that no changes can be processed until the above re-advising dates. Any emails sent before then requesting changes will not be processed, and you’ll need to send them again on the correct advising dates.

To re-advise by email: please include:

- Your full name
- Your matriculation number
- Clear instructions on which modules you would like to be advised out of and which modules (in ranked order) you would like to be advised into. Provide a list of up to give preferences with Module Titles and Codes
Please note:

- There are no new senior honours modules in the coming semester.
- Due to unforeseen circumstances, the following two modules will have to be taught online: **IR4542: Gender and Terrorism** and **IR4570: Everyday Life and Global Politics**.
- Please also note the following changes to **IR4578: The Politics of Nature and Place** tutorial times. The tutorials are now on Thursdays 11:00 AM – 12:30 PM and 1 PM to 2:30 PM (note that these are, indeed, 90-minute tutorials).
- Students should be aware that changes are made subject to space in the relevant module, and we do not keep waiting lists. **You have until the end of week 1 of semester 2** to make any further changes to your modules, after which time you will not be able to change your modules. As such, please email the IRSH email account (not your allocated adviser’s email) no later than **23rd January (midnight)** to request any switch.
- Please refer to the following module search webpage to find module descriptions: [https://www.st-andrews.ac.uk/subjects/modules/](https://www.st-andrews.ac.uk/subjects/modules/). Old module booklets can be found on Moodle.
- Please do not contact individual module coordinators or tutors regarding re-advising as they cannot make any decisions on module enrolment.
- Hopefully this email should have answered most of your queries.

Thank you for being so understanding and cooperative during these challenging times, and hope you had a happy holiday period.

Professor John Anderson
Senior Honours Adviser
