### **School of Medicine, North Haugh, St Andrews**

**21<sup>st</sup> October 2021, 3.00pm – 4.30pm**

1. Welcomes and Introductions
2. What is Fife Community Advisory Council?
3. How has the panels' contributions over the last year impacted research?
4. What is the plan for the future?
  - a. Update on the Research, Innovation and Knowledge (RIK) Oversight Group (Previously Research Governance Group) from Mrs Anne Haddow
5. Presentation from Prof. Peter Donnelly, Director of the Sir James Mackenzie Institute for Early Diagnosis.
6. Questions and Discussion.
  - We will record the meeting for anyone to watch back at a later date.
  - We encourage all attendees to take a COVID-19 Rapid Lateral Flow Test within 12 hours of attending.
  - Social Distancing will still be applied where possible, and wearing of masks while moving throughout the School of Medicine unless exempt is mandatory. You may wish to continue wearing a mask while seated for the meeting, however this is not expected.
  - Photographs will be taken at the meeting for use on the School of Medicine website. If you wish to opt out of this, please let Katie know.
  - Reasonable travel expenses will be covered by the School of Medicine.
  - Please advise Katie if you have any dietary requirements.

**We look forward to welcoming you!**
