Donor Update

Our donors and friends support a wide range of projects that make a real difference to both undergraduate and postgraduate students, and to the wider St Andrews community. Here is a brief overview of some of the wonderful things you have helped us to achieve in the year ending July 2022.

During this year teaching and research continued to be on an online platform until April 2022, when restrictions were lifted. In June we were delighted to return to the newly restored and refurbished Younger Hall for three weeks of in-person graduation ceremonies for the Classes of 2020, 2021 and 2022.

In February 2022 the world looked on – appalled – as Russia invaded Ukraine. Thanks to you, the Hardship Fund set up to support students and staff affected by the ensuing war raised a total of £175k. It is also thanks to your philanthropic support that we have been able to invest in strategic priorities such as the refurbishment of the Younger Hall, scholarships and ‘New College’ (on the site of the former Madras College on South Street) – the University’s most significant capital project in three centuries. These exciting projects are set within the context of our new fundraising campaign, which aims to raise £300m.

All of these projects will enable us to continue to offer the high-quality learning, teaching and research that has been endorsed through our ranking as top university in The Times and Sunday Times Good University Guide 2022 and in the Guardian University Guide 2023.

Thank you - we couldn't do any of this without you.
A snapshot of our fundraising 2021-2022

Philanthropic support
Our alumni, friends, parents and donors continued to show their overwhelming support during a year when the invasion of Ukraine and the cost of living crisis adversely impacted the University of St Andrews community.

In 2021-2022 the University of St Andrews raised £24.6m – the highest ever amount of new funds committed by donors. This is an increase from £14.9m in 2020-2021 which was, in itself, a new record at that time.
