Greetings Film Enthusiasts!

My name is Gabrielle Levey and I am your School President for the Department of Film Studies and Music for the 2017/18 academic year.

Firstly, let me take this opportunity to welcome you all to St Andrews and assure you that we are looking forward to meeting you as you join one of the most inclusive and friendly departments within the University. Your fellow students and staff members alike, thrive on the interactions and lively discussions that have become the hallmark of the department and we are very excited at the prospect of sharing new ideas and visions with you.

One of the central themes of our mission is to ensure that your talents and abilities are nurtured and brought to fruition where ever possible throughout your time at St Andrews University, and to this end we encourage debate and communication at the many events and opportunities provided throughout the year.

There are a multitude of exciting activities being hosted by the Film Department this year such as the Reel Film Series and the 60 Hour Film Blitz, at which you can expect great films, interesting discussions and live musical entertainment. I wholeheartedly encourage you to participate in every opportunity that presents itself and experience the warmth of the film and music community within St Andrews to its full extent.

Please feel free to contact me should you require any guidance or advice about the Film and Music Department, St Andrews in general or if only for a general chat over a cup of tea.

I look forward to meeting you all in the days and weeks ahead and helping you in any way I can to get the most out of your St Andrew’s university experience.

Best wishes

Gaby
