1. **Brief description of Event (50-100 words):** Books are supplied by Fife Council libraries. We meet once per month and have the opportunity to read books that we might not normally read and discuss them at our lunchtime meetings.

2. **What were the benefits of attending and what did you gain from the experience in terms of transferable skills and knowledge.** We have all gained insight into other group members jobs and interests.

3. **What actions will you be taking as a result of attending or by making new networking contacts.** The membership of the group is constantly changing which encourages us to get to know an ever wider circle of people who work in the school. It is often also a good way for new members of staff to get to know people in the school as a kind of icebreaker.

4. **Can you share any additional resources produced in connection with the event (e.g. feedback from participants, training resources, website links, and additional materials.** Fife Council send us information on literary events taking place in our area that we might be interested in attending, either individually or as a group.

5. **Tips/experience learned from the event** New friendships have been formed. It is a good way especially for new members of staff to get to know people and we will be advertising in the school newsletter as there has been a large number of new staff joining the school recently.

6. **Any additional comments or information regarding the event** Everyone enjoys the monthly discussions (even if we don’t always enjoy the book!). The club has taken us outside our comfort zones and exposed us to other forms of literature.
