Event /Course Title	Making a Difference (Early Career Researcher Workshop)'.
Date of event	10/04/19

1. Brief description of Event (50-100 words):

This event was a pre-conference event run by the Housing Studies Association. It explored ways in which we can improve our research and skills towards making a difference in the future within housing research, and future potential career opportunities

2. What were the benefits of attending and what did you gain from the experience in terms of transferable skills and knowledge.

The benefits of attending where meeting people from a range of different workplaces and backgrounds with an interest in housing (giving ideas for future career opportunities), and ways in ways engaging the public in your research can lead to future career and research opportunities. In terms of transferable skills and knowledge I learnt more about the appropriate language to use with policymakers and how to ensure a better work-life balance.

3. What actions will you be taking as a result of attending or by making new networking contacts.

I will become more involved in publicising my work/research and begin to have conversations with those I met about future work opportunities

4. Can you share any additional resources produced in connection with the event (e.g. feedback from participants, training resources, website links, and additional materials.

I can share slides and feedback and contacts if relevant for anyone.

5. Tips/experience learned from the event

Tips on work-life balance and making a difference within housing studies research

6. Any additional comments or information regarding the event

Great event run by passionate and engaged individuals, would fully recommend it and the conference. Thanks for the funding for the accomodation
