The Cosmos Centre is a voluntary organisation, run by a Management Committee. A team of office and childcare staff have been put in place to manage the day to day running of the Centre’s facilities.

The Childcare facility at the Cosmos Centre is registered with, and regularly inspected by, the Care Inspectorate. Our registration number is CS2003015112

Payment for fees can be made by cash, cheque, standing order, internet banking or childcare vouchers. You can pay as you go along, weekly or monthly. Please ask at the office for more information.

We regularly ask you to update / confirm contact telephone numbers, email addresses and any children’s medical conditions, so we would appreciate your help with that. Please let us know, should any of your details change.

In line with current legislation, all staff and volunteers are asked to undertake rigorous vetting procedures. The staff team also attend training courses on child protection, with procedures in place should we have any concerns about the children in our care. This may mean we ask for advice from, or share information with, the Child Protection team in Fife. The welfare of the children in our care is our priority.

To ensure the safety of the children attending the Club, as well as parents and visitors, CCTV is in operation with door buzzer systems installed.

If you have any queries or would like information on any aspect of the Club please ask in the Centre office.
