

10k Sponsored Walk

Saturday 3 June

10.00am

Get some great physical exercise and help to raise money for Marie Curie.

For those taking part in the Step Count Challenge this is another way to increase your team's step count whilst raising money for a great cause!

Join the WWOW Walk Leaders as they take you on a tour of St Andrews, including the West Sands, the Old Course, the Cathedral, the harbour, the East Sands and Lade Braes. The walk will take around 3 hours at a comfortable walking speed.

The Wellbeing and Engagement group will make a contribution to Marie Curie for every kilometre walked, but you can also organise your own sponsorship to boost the total. Funds raised can be paid directly or can be deposited with the Wellbeing and Engagement Group and we will pay the money to Marie Curie on your behalf.
