ADVICE AND SUPPORT CENTRE (ASC) AND STUDENT SERVICES	<p>The ASC is the primary information point for all students of St Andrews, and you can pop in there with any questions or concerns.</p> <p>There are a number of ways in which Student Services are focused on helping students at St Andrews achieve what they deserve: the best university experience possible. All students, all people, come across barriers in life where they do not know where to go or how to best proceed. They need guidance, a pointer, a reflection to offer them a route to follow, or a tool to get over a hurdle and back on track. Student Services are the ones who can provide this.</p>	http://www.st-andrews.ac.uk/students/advice/	theasc@st-andrews.ac.uk
CENTRE FOR EDUCATIONAL ENHANCEMENT AND DEVELOPMENT (CEED)	CEED offers a range of academic and development services to undergraduate students. Adjusting to a new academic culture can be challenging, and CEED services will be useful in helping you to familiarise yourself with academic expectations at St Andrews, essay writing, assessment, as well as academic rules and regulations.	https://www.st-andrews.ac.uk/ceed/	ceed@st-andrews.ac.uk
'FRIENDLY ECON' SCHEME	Sub-honours students in Economics should also note 'Friendly Econ', a student-run tutoring scheme organised jointly by CEED and the St Andrews Economics Society. The tutors are honours students selected based on their academic excellence and strong personal skills. This	https://www.st-andrews.ac.uk/ceed/study-	ceed@st-andrews.ac.uk
