Student Accommodation Survey 2020-21

Andrew Melville Hall

Introduction:

This report is based on the responses collected from the December 2020 Student Accommodation Survey.

In analysing the results, the 'not applicable' responses were removed to provide an accurate breakdown of responses.

To ensure easy analysis of information in the bar and pie charts, the very satisfied and satisfied responses have been combined to represent overall satisfaction. Likewise, the dissatisfied and strongly dissatisfied responses have been combined to represent overall dissatisfaction. The individual breakdown of responses has been preserved in the separate survey reports.

Average results have been calculated for each category and are presented alongside the individual responses to the category questions for ease of reference.

The survey results showed a notable difference in International student satisfaction compared to Home/EU student satisfaction; therefore, the overall satisfaction and catering satisfaction categories are broken down further and also presented by Home/EU and International satisfaction.

They keep the hall well kept and are

friendly

They provide good information and support

Try and make halls as fun and welcoming as

they were last year, even with covid

Ummm.... I'm not too sure but the accommodation has a friendly atmosphere

and is Mostly well equipped.

Very clean environment and bedrooms and

dining experiences are as good as I could

ask for.

Very prompt with assistance if I'm facing any issues. Friendly and approachable.

What could Residential and Business Services do better?

Actually enforce covid rules on people other than students - staff and covid saints don't seem to have to adhere

Be available on weekend mornings

Be clearer on rules and restrictions and use logic when applying these rules

Being accessible at all times

Better flexibility in the catering. Perhaps a new menu for semester 2 that would take into account the complaints given

Cheaper Accommodation, as it is currently very difficult to find any part time jobs, so I will be struggling to pay my fees this year

Come up with more activities to do within the halls

Consider meals and sides paired together to make sure they go together

Food

give more consideration to household allocations - I had no choice in the only 3 people I can legally interact with, I rarely meet them and we have very little in common. Maybe consider a post-Christmas household shakeup?

Have a better menu

Have more flexibility with meal times especially dining in

I am completely satisfied!

I understand that the wardens in Andrew Melville Hall are in a position where discipline is needed more than ever. However, I think they also need to show us that they are also on our side because it really doesn't feel like that at the moment (minus Mary who is always lovely and very friendly).

I'm quite happy with it

In one of the kitchens there is only one microwave. And I think they should increase the number of people allowed in the kitchen to three. But specify only 1 person per hob.

Make more cheap accommodation for students, more common areas for catered students to allow some friend making

Making hall life a bit more enjoyable

Maybe fill in empty rooms in the halls in town with people that had to go to Dundee.

more covered cycle storage, AMH the bike shed is always full.

More help and information available regarding affordable halls

More veggie options that don't feel like it's one idea over and over again (courgette, fake meat)

nicer showers that you don't have to push a button to operate

Please provide waffles for breakfast everyday. They are—without a doubt—the best waffles I have ever consumed in my entire life.

please respond to emails quicker and actually answer the questions in the email (quite often I got a generic response that did not answer my question at all, which resulted in several emails being sent until i got an answer)

potentially have a way of seeing how full the dining hall is because the queue can often be inconvenient

Price too high. COVID restrictions are ridiculous

Prices are bordering on unaffordable

spend hall committee money better! Online events even, socially distanced events in dining hall

The friendliness of the wardens

The quality of the food is fine but it doesn't always taste great. More dedication could be put into the meal service even if to make it a slightly better experience for students

Tiny logistics - example, on weekends in AMH the whole hall is sharing 3 kitchens and due to COVID, most of us can't go out so the waiting time ends up being at least 45 mins.

Try account for everybody's opinions although this is difficult
