

Student Accommodation Survey 2016-17

McIntosh Hall

Introduction:

This report is based on the responses collected from the November 2016 Student Accommodation Survey.

In analysing the results, the 'not applicable' responses were removed to provide an accurate breakdown of responses.

To ensure easy analysis of information in the bar and pie charts, the very satisfied and satisfied responses have been combined to represent overall satisfaction. Likewise, the dissatisfied and strongly dissatisfied responses have been combined to represent overall dissatisfaction. The individual breakdown of responses has been preserved in the separate survey reports.

Average results have been calculated for each category and are presented alongside the individual responses to the category questions for ease of reference. **Where applicable all averages are worked out by averaging all survey responses and not by averaging the hall or survey section percentages.**

The survey results showed a notable difference in International student satisfaction compared to Home/EU student satisfaction, therefore the overall satisfaction and catering satisfaction categories are broken down further and also presented by Home/EU and International satisfaction.

What could Residential and Business Services do better?

"Allow students to indicate specific hall requests and the reasons why they would prefer said hall."

"Ask the students what they would like their money to be spent on (by hall committee)"

"Being available at more times"

"Better food"

"Better food and wifi"

"Better laundry services"

"Better quality, healthier food"

"Catering- it's disgusting."

"Catering- most vegetarian options are unhealthy and no flavour. I have seen staff touching meat and then the vegetarian options. Cleaning- Kitchen is unhygienic. Also, often cleaners don't leave enough toilet paper so by the Friday night there is none left for the weekend. "

"Communicate rules and expectations better."

"Change meal times, dinner is far too early"

"Circuit is fairly bad for laundry"

"Cook better"

"Demonstrate a greater ability to use common sense and independent thinking by approaching problems with flexibility."

"DINING SERVICES (freedom of menu and more salad bar option and sandwiches and longer meal times"

"Fewer rules at dinner times about what food we can have, when and how much"

"Fix the drying machines, none of them work"

"Food"

"Food can be variable"

"Food is below standard, bland, overcooked. Single pane windows means it's so cold at night and I'm always getting sick. "

"Food is limited when people are dairy free. Since it's such a common condition, it'd be nice to look into it. "

"Have a more specific accommodation survey to match better roommates. Have heating as much of the day as possible. Have larger time slots for meals. "

"Healthier food options at meals"

"I felt the heating levels were inappropriate last week, it was rather cold in my bedroom which made it difficult to recover from being unwell"

"I think a better selection of food at meals would be ideal. The food is good there just aren't many options especially for those who have dietary restrictions."

"I think it would be nice to have a vacuum available for students to use at all times. But other than that everything is great!"

"I wish to have a mirror in our rooms. There are mirrors on the corridor but it is not convenient to go out and check your attire and come back. "

"I would love to see better recycling. There is very limited recycling in the kitchens especially and, in our room, we have 2 normal waste bins- which seems unnecessary! I think we should try to be more eco-friendly in general."

"If there is a problem in your room for it not to take 6 days for it to be fixed, I was without a main light in my room for 6 days before it got fixed."

"Keep us updated about developments"

"Laundry is a big problem in McIntosh -- machines often don't work"

"Match roommates together better"

"Maybe make breakfast go on for longer?"

"Meal times"

"Meal times are sometimes a bit restrictive when you have class"

"More affordable housing (both in quantity and cheapness)."

"More diversity spread out over halls"

"NEED better food."

"Net curtains in ground floor/basement rooms, more cleaning in shared kitchens, single sex bathrooms in shared bathroom residences"

"Nothing much!"

"Please take note and act on the INCESSANT complaints about the laundry system. It is expensive and doesn't wash or dry clothes adequately. WE DESERVE BETTER."

"The dining options for dinner tend to blend together after some time. Some weeks it feels like we are having the same meal multiple times. "

"The dryers are really ineffective, even if you take out heavier items of clothing; the food is quite bland; a greater range of better quality fresh fruit, being able to take more than two pieces. Perhaps also then better vegetables which are not overdone."

"The dryers in the laundry room need to be replaced."

"The food could be better, and cleaning could be better."

"The heating times make no sense - the heaters work during the day when we are not in our rooms, which means that we have to put them up to full in the evening so we don't freeze overnight. If they were on all the time, people wouldn't have to set them to more than 1 or 2 even in the winter. "

"The hours of availability of the RSMs are not great but they are sufficient"

"The kitchen staff are scary"

"The quality of food could be improved."

"The vegetarian options are very limited and usually not that good"

"There are minimal decorating opportunity and options if we aren't allowed to put things on walls and my pin board is hidden behind the sink. I think non-damaging tape should be allowed."
