Single Golfers

It is still possible to try to play the Old Course and any of our other courses as a single player.

For the Old Course you should check in at the Old Pavilion (at the side of the first tee) on the day of play and the staff will try to help you join with a 2 or 3-ball group willing to take another player with them on their tee time. (In the summer months there may be a queue of singles waiting, so it is advisable to make sure the Starter and the Old Pavilion staff are aware you are there hoping to play.)

With patience, this can be successful but there are no guarantees. The green fee is payable to the Starter on the day. A current official handicap certificate/card is required to play the Old Course and to be shown to the starter prior to play if you have not got a Full Links Ticket; the maximum for men is 24 and 36 for ladies. There are no handicap restrictions on any of our other courses.

This procedure applies to a single golfer on our other five 18-hole courses although it is not necessary to arrive so early for those courses and is much easier to get out and play.

Golfing Etiquette

It is important for the future of student golf that the traditional etiquette of the game is observed in St Andrews.

1. Always play without delay, keep up with the match in front, do not practise and move off the green to the next tee before marking score cards. Tee-off as soon as it is safe to do so.
2. If you cannot find your ball immediately, signal the following players through as soon as they are ready to play and if playing in a three or four ball, allow two ball matches to play through.
3. Four-ball medal play is not allowed. If you are out of contention on a hole, pick up.
4. Repair any pitch marks made on the greens immediately to prevent damage.
5. Respect the courses and the course equipment and avoid damage to them.
6. Rake bunkers after use.
7. Do not play if golfers in front are within range.

Dress Code:

Golfers are expected to wear clothing appropriate for golf. Scruffy or torn clothing is not considered appropriate. If in doubt please consult the Starter. The dress code is smart casual in the clubhouses.

Speed of Play:

An indication of the time four balls are expected to complete a round is published on the score card for each course but Golfers are asked to ensure that they play without delay. Golfers' Assistants are on the Links at all times to help golfers and to ensure that they maintain the speed of play. Your co-operation is appreciated.
