## Call for Papers

# Workshop on Time-Varying Uncertainty in Macro

**Saturday 2<sup>nd</sup> September - Sunday 3<sup>rd</sup> September 2017**

hosted by the School of Economics & Finance, University of St Andrews

**Submission deadline – Friday 9<sup>th</sup> June 2017, 6pm (UK time)**

### Keynote speakers

Prof Wouter den Haan (LSE)

Prof Fabio Canova (Norwegian Business School)

We welcome all submissions of both a theoretical and empirical nature that fit broadly within the theme of “uncertainty in macro”

### How to submit

Email Ines Ewan at [ije2@st-andrews.ac.uk](mailto:ije2@st-andrews.ac.uk) with a complete paper  
Please also indicate whether you require any funding support

**Authors of successful submissions will be notified by Friday 16<sup>th</sup> June**

Some funding is available for travel and/or accommodation expenses for participants presenting papers or acting as discussants and will be awarded on a discretionary basis.

Organizing committee: Oliver de Groot (University of St Andrews) and  
Katerina Petrova (University of St Andrews)

This workshop has been supported by generous grants and support from the Royal Economic Society, the University of St Andrews, and the CDMA.

**Centre for Dynamic Macroeconomic Analysis**
