Carnegie Vacation Scholarships for Undergraduates

What’s it for?
- To undertake an independent research project in any academic field of study

Who can apply?
- Students in penultimate year of study at a Scottish university
- Applicants must be Scottish by birth, descent or residence

When can you do this?
- At any time during the summer vacation
- Scholarships are 2-12 weeks in duration

Why should you apply?
- To develop valuable research skills
- To investigate a topic of interest to you
- To hone academic writing skills through reporting the results of your work

What do you get from the Trust?
- A weekly stipend of £250
- Chance to become part of the Carnegie research community
