‘Searching for Solutions’

An event to share and showcase some of the research findings of the Institute for Capitalising on Creativity based at the University of St Andrews; including resources to help you search for your own solutions within your creative practices. Topics include use of social media, human resources, audience development and intellectual property.

Tuesday 22\textsuperscript{nd} October 2013
5:30pm – 8pm
The Gateway, University of St Andrews, North Haugh, St Andrews KY16 9RJ
To book your FREE place please email louise.trow@fife.gov.uk
