28. Who should I contact if I am having problems with the form?  
29. Version control  

Appendix A: Workforce Planning Approval Route flowchart  
Appendix B: Non-workforce Planning Approval Route flowchart
1. **When do I need to use the workforce planning form?**

1.1 The workforce planning application form should be used when seeking approval for any new or replacement posts, or for making any contractual changes to existing posts which are centrally funded or partially centrally funded. Contractual changes include making posts permanent, increasing hours and extending fixed term posts.

1.2 Some requests have specific forms associated with a particular policy. Appendix A details what paperwork is required for full workforce planning group (WPG) consideration.

2. **I already have budget or approval for a new post or changes to a post, do I still need to complete a form?**

2.1 Under the flexible financial framework, some applications do not need to go to the full WPG for consideration but can be assessed more quickly via Human Resources (for staffing complement management) and Finance (for budget management).

2.2 You should still complete the appropriate workforce planning application form, but this will be a shortened version and the form will guide you as to what can be omitted. These applications will be checked against budgets and if everything is in order, contractual changes and advertising of posts will normally be actioned within 3-4 days of receiving the application.

2.3 Appendix B details the types of requests which do not need full workforce planning paperwork.

3. **When should I not use the WPG form?**

3.1 You do not need to complete the WPG form for the following scenarios:

3.1.1 **Wholly externally funded** posts should be routed via HR. Instead you should:

- email vacancies@st-andrews.ac.uk if you wish to advertise a post along with your Advert/Further Particulars, cost centre and details of your panel.

- email hr.support@st-andrews.ac.uk with details of any contractual changes including start/end dates, cost centre and a job description if this is changing.

3.1.2 **Replacement Cover Posts** (e.g. family leave cover, acting up (including sickness cover). You should:

- complete the “Request for replacement cover” form and submit this to your HR Business Partner and HR Director for approval. All relevant sections of the form must be completed (e.g., name of current postholder, reason for request, expected duration of cover required), and document any changes to the terms/conditions for the replacement postholder (e.g. grade/salary range, job title).

3.1.3 **Flexible working requests** should be routed via your HR Business Partner. Eligibility and details of how to apply can be found in the Flexible Working Policy.

3.1.4 **WPG exempt posts** (i.e. frontline professional services posts with a reasonably high turnover and which can be replaced or redesigned without recourse to WPG as long as the request fits within overall staffing complement and budget). Heads of Units will already be
aware of which posts these are, but advice may be sought from workforce@st-andrews.ac.uk if unsure. You should:

- email vacancies@st-andrews.ac.uk if you wish to advertise a post along with your Advert/Further Particulars, post number being replaced and details of your panel.

- email hr.support@st-andrews.ac.uk with details of any contractual changes including start/end dates (where appropriate), details of hours to be altered and names of staff who are affected.

4. How do I access the WPG form?

4.1 To access the workforce planning application form, you should sign in via single-sign on (using your usual username and password). This will open up your dashboard which gives you access to previous applications, provides a status update on your applications and allows you to submit further requests.

4.2 As you submit more applications, your application history will build up and you will be able to access previous applications (e.g. to recycle/review).

5. How do I submit a new application?

5.1 To submit a new application, click on the green ‘+Create New’ button from your dashboard landing page.
5.2 This will open the menu of available application forms.

6. Who can submit applications?

6.1 Applications must be submitted by the Head of School/Unit (HoS/U) or by an authorised delegate of the Head of School/Unit (HoS/U).

- If you are a HoS/U, your name will appear in the “Application submitted by” box.

- If you are writing the application on behalf of a HoS/U, the Head’s name will appear in the “Application submitted by” box and your name will appear in the “Application authored by” box.

- While HR can change the access rights to the dashboard, only staff given permission by a HoS/U may write and submit applications for the School/Unit.

7. How do I manage delegates?

7.1 As a HoS/U, you may delegate authority to managers to submit applications on the School/Unit’s behalf. To check, add or delete a delegate, click on the ‘Manage your delegates’ button and follow the instructions.
7.2 If you have any issues when doing this, please contact Workforce Planning in the first instance.

7.3 We would advise you to review your delegates at least annually to ensure that the list remains up to date. Please note that if a member of staff leaves the University or moves to a different role within the University, they will be automatically removed as a delegate from your list. Staff moving posts within the University will no longer have access to historic applications for your School/Unit.

8. How do I know if I am a delegate?

8.1 You will receive a system generated email telling you that you have been added as a delegate. If you have not been added as a delegate and attempt to submit an application, you will receive an error message and be unable to proceed. Please contact your HoS/U directly to ask them to give you delegation rights, copying in Workforce Planning.

8.2 If the HoS/U or the workforce planning team have added you as a delegate and you continue to receive error messages, please raise a call with IT Service Desk if necessary.

9. Why do I need the post number?

9.1 The form is largely driven by the existing post number as it will populate a lot of the fields for you and speed up the application process. The exception to this is a request for a new post where no post number exists. For new posts, the About Post and Management Structure information must be added manually.

9.2 If you are applying for replacements or changes to multiple unrelated posts, you must complete a form for each post as the business case will be different for each.
9.3 If you are applying for replacements or changes to multiple related posts, you should submit a paper outlining your business case as the overarching case will be relevant to all posts.

9.4 If you are applying for more than one change to be made to an existing post (e.g. increase hours and change the post from a fixed term to a permanent post), please choose one form and outline all the changes you wish to make in the business case.

10. How do I find the post number?

10.1 You can find the post number of staff you directly or indirectly line manage via HR Self Service. When you log on, choose the My People tab from the main dashboard.

10.2 Your direct reports will appear on the next screen.

10.3 Your direct reports will be listed alphabetically by surname, showing post title and post number in brackets. If you wish to check for a previous post number they have held, then click on their name and expand the Appointment History tab.

10.4 If the application refers to someone who you do not directly manage but is in your wider team, then filter on ‘Whole Team’
10.5 This will list all members of staff who you directly and indirectly line manage.

10.6 You can select the relevant member of staff (either by searching on their name, scrolling down the list or filtering by surname). Their current post number appears in brackets after their name and you may access their appointment history as described above.

10.7 If you are writing an application on behalf of a HoS/U for a post which you do not line manage either directly or indirectly, your HoS/U should supply you with the relevant post number by following the instructions above in order for you to complete the application form.

11. I want to apply for several posts at the same time, do I need to complete multiple forms?

11.1 If you are applying for several posts at the same time because several unrelated things have happened simultaneously (e.g. a staff member has resigned, someone else wants to increase their hours and you also want to make another post permanent), then you should complete a form for each scenario as the business case for each will be different.

11.2 However, if you are applying for several posts at the same time which are related to one another (e.g. you have undergone a professional services review and are requesting several changes to roles and perhaps some new roles or someone has retired and you are restructuring the work across the team impacting on several roles), then you should write a paper rather than completing several forms with the same business case. This paper should include but is not limited to:

1. High level summary of requests e.g. request is for 2 Grade 3 Administrators, Increase in hours to full time for the Grade 5 Supervisor and a regrade for the Grade 2 Trainee.
2. Context for the changes/requests and how these fit with School/Unit/University strategy.
3. Details of the changes requested.
4. Details of how not making the changes will impact on the School/Unit/University.
5. Costs of the changes including how any additional expenditure may be met (e.g. savings on other posts, appointment at lower grade/scale point, reduction in use of casual budget, stopping use of external providers etc). Your FAS team will be able to help you with figures.
12. **Has this post been approved in principle at your Strategic Planning Meeting?**

12.1 Please see below for scenarios to help you choose the right answer to this question.

12.2 If you have a budget letter confirming discussion/promises relating to this post request, please submit this with your application as it will speed up the approval process.

13. **Has this post been approved by the Business Transformation Board?**

13.1 If the post has been approved by the Business Transformation Board (BTB) as part of a project or restructure, then you already have approval to proceed with recruiting and/or making contractual changes and do not need to complete the workforce application form.

13.2 For posts requiring recruitment as part of your case, please email confirmation of the date of the BTB approval to workforce@st-andrews.ac.uk copying in businesstransformation@st-andrews.ac.uk attaching your Adverts/Further Particulars.

13.3 For posts requiring contractual changes (e.g. secondments, changes in hours, changes in job remits) please email confirmation of the date of the BTB approval to workforce@st-andrews.ac.uk copying in businesstransformation@st-andrews.ac.uk along with details of the changes/amended job descriptions.
14. **Does this post form part of the School/Unit succession planning?**

14.1 If you are applying for a post connected to a recent or forthcoming retirement or to replace a colleague who you know will be reducing their duties/leaving in the future and some form of replacement is needed now, please answer ‘Yes’ to this question and provide details as requested.

15. **Does this post act as a data owner/data steward?**

15.1 All Schools and Units should have nominated roles with Data Owner (DO) and Data Steward (DS) responsibilities. If the role you are applying for has DO/DS duties, then the appropriate text must be included in the job description as provided in the form:

Please ensure that any Data Owner/Data Steward duties are included in the job description.

For Data Stewards non-research jobs:
As a data steward you are responsible for the quality of metadata and/or data within specific data domains named by the data owner, for undertaking metadata and/or data quality checks and for identifying and implementing metadata and/or data quality improvement measures.

For Data Stewards research jobs:
As a data steward you are responsible for the quality of metadata and/or data within specific data domains that the University has put in place for supporting research data management, for undertaking data quality checks and for identifying and implementing data quality improvement measures where research data has been deposited into University systems for access and preservation.

For Data Owners:
As a data owner you are accountable for the accuracy and completeness of metadata and/or digital data within your data domain(s) and you are responsible for challenging arrangements for managing metadata and/or data quality and accessibility in your business area.

15.2 If you are unsure whether the role should be a DO/DS, please consult the Data Governance Office.

16. **How is this post funded?**

16.1 You need only apply to WPG for posts which are wholly or partially internally funded. Posts which are wholly externally funded should be routed via HR (vacancies@st-andrews.ac.uk for advertising and hr.support@st-andrews.ac.uk for contractual changes). External funding can include grants, income, fees, bequests, endowments.

16.2 If you are in doubt as to whether a post needs to come to WPG, please contact workforce@st-andrews.ac.uk for advice.

17. **What do I include in the Business Case?**

17.1 Depending on the type of request, you may not need to complete the Business Case section of the form. This will be obvious when you reach that section and you will be given instructions to submit the application at that point. Refer to question 2 for further details.

17.2 If you are required to complete the Business Case you may find it useful to include the following information:

- Why the post/change is needed – this may include reference to your School/Unit strategic plans, changes in legislation, how the post fits with the University’s strategy;
- How you have managed without the post or in its current format until now e.g. use of flexible workers, external consultancy, overtime payments etc;
• If you are asking for a temporary post or temporary change to post, why it is not needed permanently;
• Any data that will support your case such as increased student numbers, movement of work from central Units or from external providers to your School/Unit adding to the volume of work, servicing a larger estate, additional work due to changes in legislation/regulatory frameworks, savings to be realised by taking the work inhouse etc. Such data may be added to the business case itself or provided as supporting documentation.

17.3 You must not include information relating to the mental and/or physical health of a member of staff (named or otherwise where it can be related to an identifiable individual) even if this provides context for a request to the WPG. Such information is excessive and plays no part in assessments undertaken by the group. Applications containing such information will be returned to the submitter for re-submission (i.e. details of mental and/or physical health circumstances removed, before a request may be considered). UK Data Protection Laws restrict the instances where the University can make use of mental and/or physical health details of staff – there is no scope for the lawful use of such details in this instance.

18. When am I required to submit a full Business Case?

18.1 Generally speaking, full business cases will be required for:

• new posts;
• replacement posts which add to staffing complement/budget;
• making temporary posts permanent or extending for longer than 6 months;
• increasing the hours permanently or for longer than 6 months.

19. Are all fields mandatory?

19.1 Not all fields are mandatory but if you attempt to submit an application without completing the mandatory fields, an error message will appear and the missing fields will be highlighted for your completion (see example below).
20. Will I and others be able to review the form before submitting it?

20.1 If you are writing the application on behalf of your HoS/U and wish them to review it prior to submission, then click on the blue ‘Save for Later’ button at the end of the form and separately email the HoS/U to let them know the document is ready for review – it will appear on their own dashboard.

20.2 Please be aware that once the form has been passed to the HoS/U, they will need to submit it to WPG – it cannot be returned to you.

20.3 If you wish several people to review the application prior to submission, you should write your case in a separate document, have the reviewers add their comments and then paste the final version into the form before you or the HoS/U submits it. (You cannot forward the form to multiple readers.)

21. Am I able to submit the application on behalf of my Head of School/Unit?

21.1 Yes, you can do this by clicking on the green ‘Submit application’ button at the end of the form but once submitted, it cannot be returned to the Head of School/Unit for review.

22. Can I add attachments to my application?

22.1 Yes, there is the opportunity to submit additional information with your application at the end of your Business Case. For security reasons, documents can be uploaded and sent in Word, Excel, PDF, Powerpoint and Visio formats only. If you wish to submit a document in a different format, please contact workforce@st-andrews.ac.uk for advice.
23. How will I know that the application has been successfully submitted?

23.1 You will receive emails at various stages of the process (e.g. when confirming the application has been received; requesting further information if required by HR/FAS prior to submission; and the outcome with next steps outlined if approved or requests for clarification/feedback if deferred/rejected).

24. I want to move someone from a Flexible Worker contract onto something longer term. Which form do I use?

24.1 If you wish to move someone from a Flexible Worker contract, please use the **New post form** but ensure you include in your business case the fact that this work has been covered by staff member X and you wish to confirm them in a longer term post. This can be for part/full time hours and on a fixed/permanent contract as outlined in your business case.

25. I want to increase the hours of someone to full time. What are full time hours?

25.1 Full time hours are currently 36.25 hours per week. If you try to increase hours beyond that, you will receive an error message. While it is recognised that there may be times where someone will be required to work more than that, this should not be a regular occurrence and this should be discussed with your **HR Business Partner** prior to submission and explained in your Business Case.

26. Do I need to submit a separate application to cover backfill for internal appointments?

26.1 The form has prompts regarding how you intend to recruit to a post and whether you also require backfill for internal appointments. In most cases, there will be no need for further applications following internal moves.

27. Am I able to request changes to the contract of an employee on a visa?

27.1 If the change is to increase the hours, extend the contract of an employee or move them to a standard contract, you should submit your WPG application as normal. In the event of a change to a contract end date, HR will assist the employee in applying for a visa extension to match the new end date or to take them to the point where they can apply for settlement should the post be approved as standard.

27.2 However, if you wish to reduce the hours of anyone on a visa, change their job title or job remit (regardless of whether this changes the grade), then you should consult **HR Immigration** for advice before submitting your WPG application as this may not be possible under their current visa conditions.

28. Who should I contact if I am having problems with the form?

28.1 If you require advice on which form to use or the contents of a WPG application, please email the **Workforce Planning Administrator** or telephone extension 1650/2560.

28.2 If you require technical assistance in using the form, please email the **IT Service Desk**.
29. **Version control**

29.1 This document will be reviewed periodically. Any feedback on the document content should be directed in the first instance to the workforce planning team or via the HR Feedback Form.

Appendix A: Workforce Planning Approval Route flowchart
Appendix B: Non-workforce Planning Approval Route flowchart

Non - Workforce Planning Approval Routes & Paperwork Requirements

- BTB Approved including New Posts/ Restructures/ Large Projects
- Replacement (like for like)
- Replacement (redesigned PS posts G1-8 which are cost neutral/ deliver savings)
- Extension to post x6 months
- Increase in hours x6 months
- Change from Flexible Worker Agreement to fixed term contract
- Posts approved at Strategic Planning Meetings
- Maternity cover (like for like)
- For all acting up including sickness cover

Paperwork Required

- BTB paper
- WPG Replacement post application (short version*) Advert/Further Particulars
- WPG Extension to post application (short version*)
- WPG Increase in hours application (short version*)
- New WPG post application
- Copy of budget approval letter
- E-mail HRSP

Approval Route

- BTB
- Head of School and Unit with HR and FAS
- HR Director

Key

WPG = Workforce Planning Group
BTB = Business Transformation Board
VSR = Voluntary Service/Early Retirement
PS = Professional services
* Short applications do not require completion of the Business Case/Impact of not getting the post/Alternatives considered sections of the form (see below for where this is relevant in the non-WPG approval comments).
