

## Neurosim 5: University price list

Neurosim is available for institutional purchase in licence blocks of 10.

All prices in GBP (pounds sterling)

Licence number	Cost (GBP: £)
10	80
20	140
30	180
40	200
unlimited	300

The licence allows the program to be installed/used on computers owned and managed by the University. The program can also be installed/used on private computers owned by staff or students of the university, PROVIDED THAT it is under the control of a university-level licence management system that ensures that the program will no longer operate after that person leaves the university.

The total number of installations and/or concurrent users must not exceed the number specified in the purchase agreement.

### Virtual Desktop Interface (VDI)

The licence permits the program to be delivered to staff and students over the internet through a virtual desktop interface or other software with equivalent functionality, provided that the total number of concurrent users does not exceed the number specified in the purchase agreement.

### Duration

The licence is perpetual.
